

Third's Word

From the editor,

Welcome back again to our class Newsletter.

The New Year has started very energetically with preparations for the

Sports Day!

Many more activities took place from the beginning of the new term!!

Sports Day

It was a day full of fun, excitement, and all the children were full of energy. We enthusiastically participated in the events and some of us won medals. Children are in action actively performing the drill during the Sports Day. Sigma house took the victory trophy home. They also set an exemplary behaviour during the event and won the best behaviour trophy too! All the houses equally scored for cheer walk and for World team. Beta house took the runner up cup.

Students got the privilege to free the pigeons. Primary band team was prepared by Ms. Kekashan with the help of few seniors students. Range of events were skilled with multiple intelligence. Cheer walk and World team is one of the examples.

Some of the pupils got an opportunity to host their country flag and they represented their country by wearing the national dress. Chenuli represented Sri Lanka from our learning Bay. 100% participation from was evident.

Curriculum

English: We are learning about synonyms, adjectives, connectives and now we are learning about how to use a pun, puzzles and riddles.

Math: We learnt to tell the on quarter past and quarter to. Also to identify time before or after a given time, both on analogue and digital clocks. Identifying equivalent fractions and now we are learning to add and subtract.

Science: We are learning about different uses and properties of materials. We investigated about different papers and their properties. How different papers are used for many different uses.

Using a dictionary to find the meaning of different words describing the properties of materials.

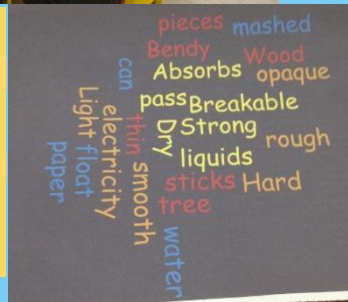

http://www.abcya.com/word_clouds.htm

was used the above site to make a word cloud to put in all the key words learnt in a form of a graphical presentation.

Co Teaching

Student were very excited and had a great experience to experience their friend's parent teaching in place of their teacher. Fatma Akram's Mom took part for co teaching geography.

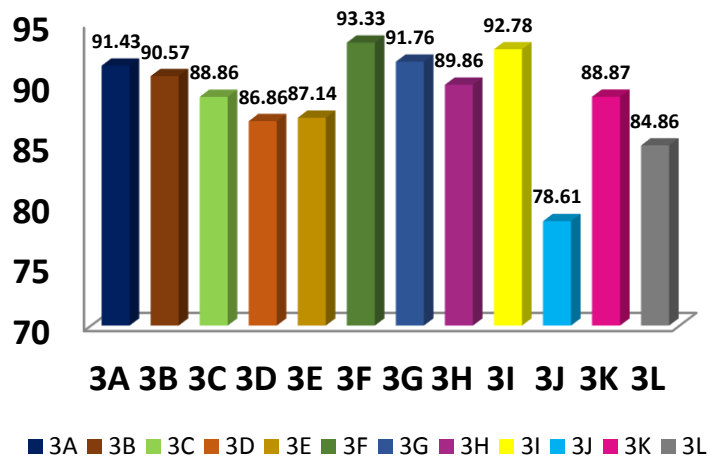

Every opportunity is taken for making cross-curricular links and children use taught skills throughout the day in a variety of different contexts and way.
